August 2017

Dear Parent/Guardian:

This letter is to explain how families will obtain bus information for their children using the Skyward Family Access Portal.

Registration for the upcoming school year will be done online through our Skyward Family Access Portal in July. Families will receive a letter explaining the online registration process. For the upcoming school year, your child's bus information will be available in Skyward Family Access **starting on Monday, August 14th.**

Starting on Monday, August 14th, you will be able to find your child's bus stop information under "Student Info" on Skyward. Look for the link to "View Bus Schedule" and then you will see a link that says "View Pickup Bus Stops" and the information will be listed. Please review this information carefully because there is a possibility your child's bus stop is different from last year. Bus routes are created to run as efficiently as possible and to avoid having children on buses for extended periods of time. All bus routes are final.

If you have any questions or are having trouble accessing your child's bus information after August 14th, please email me at jrizzo@dist126.org. Enjoy the rest of the summer!

Sincerely,

Mr. Joe Rizzo
District 126 Transportation Coordinator
