Dear Parents, and Guardians,

The Alsip Chamber of Commerce is sponsoring, and working with the Village of Alsip on a program to honor our current military enlisted Alsip residents, and any Alsip Veterans. The program is titled: **Hometown Heroes Banners**.

If you, or a family member are enlisted, or a veteran of our armed forces (any branch), we have included the information below in regard to the program.

The banner cost is $ 100.00, and pays for the processing, and manufacturing costs as well as the brackets, and labor for hanging the banners. If a family has need of financial support in order to participate, please contact the Chamber of Commerce office.

The banner form can be picked up at the Chamber of Commerce office, or downloaded from The Chamber of Commerce website.

The Hometown Heroes Banners will be displayed throughout the village beginning Memorial Day 2021, and will remain on display until Veteran's Day 2021. The same banner will be used for 2022 during the same time frame. At the end of the second year, the family has the option of having the banner given to them.

The Chamber's contact information is: 1. (Address) 12159 S. Pulaski Rd.

2. Website: alsipchamber.org 3. Phone: 708/597-2668.

In order to guarantee participation, the deadline for form submission will be April 30th, 2021. If you have any questions, please call the Alsip Chamber of Commerce at the number listed above in the contact information.
